7 of the 10 largest IPOs by proceeds raised listed on Nasdaq

78% of all proceeds raised through IPOs listed on Nasdaq

NEW YORK, June 29, 2022 (GLOBE NEWSWIRE) -- Nasdaq (Nasdaq: NDAQ) announced today that in the first half of 2022 it welcomed 108 initial public offerings (IPOs), raising a total of \$12 billion. A total of 49 operating companies and 59 SPACs listed on Nasdaq during the first six months of 2022, representing an 87% win rate in the U.S. market, and extending Nasdaq's leadership to 34 consecutive quarters. In addition to the IPOs, 6 companies transferred their corporate listing to Nasdaq, representing a combined \$8.6 billion in market value.

"Despite a slower start to the year, there's a healthy pipeline of companies across all sectors that are waiting for their opportunity to IPO in the next twelve months," said Nelson Griggs, President, Nasdaq Stock Exchange. "Nasdaq is the exchange of choice for companies transitioning to public because of our support through the IPO process and our commitment to helping them navigate the markets as public companies through our life-cycle solutions."
