senior notes are not fungible with the Senior Notes (or any other tranche of additional senior notes) for U.S. federal income tax purposes, then such additional senior notes will have different ISIN and/or Common Code numbers than the Senior Notes (and any such other tranche of additional senior notes). Claims against the Company for payment of principal, interest and Additional Amounts, if any, on the Senior Notes will become void unless presentment for payment is made (where so required under the Indenture) within, in the case of principal and Additional Amounts, if any, a period of ten years or, in the case of interest, a period of five years, in each case from the applicable original date of payment therefor.

Section 2.2. Form of Senior Notes; Incorporation of Terms.

Section 2.7. *Transfer and Exchange.*

(a) The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depositary, in accordance with the provisions of the Original Indenture, this Nineteenth Supplemental Indenture and the then applicable procedures of the Depositary (the “**Applicable Procedures**”). In connection with all transfers and exchanges of beneficial interests, the transferor of such beneficial interest must deliver to the Transfer Agent either (A)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited

with such increase or, if Definitive Securities are at such time permitted to be issued pursuant to this Nineteenth Supplemental Indenture and the Original Indenture, (B)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Security shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Securities contained in the Original Indenture, this Nineteenth Supplemental Indenture and the Senior Notes or otherwise applicable under the Securities Act, the Registrar shall adjust the principal amount of the relevant Global Securities pursuant to Section 2.8 hereof.

(b) Upon request by a Holder of Definitive Securities and such Holder's compliance with the provisions of this Section 2.7(b), the Registrar shall register the transfer or exchange of Definitive Securities. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Transfer Agent the Definitive Securities duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. The Authenticating Agent shall cancel any such Definitive Securities so surrendered, and the Company shall execute and, upon receipt of a Company Order pursuant to Section 2.01 of the Original Indenture, the Authenticating Agent shall authenticate and deliver to the Person designated in the instructions a new Definitive Security in the appropriate principal amount. Any Definitive Security issued pursuant to this Section 2.7(b) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Paying Agent shall deliver such Definitive Securities to the Persons in whose names such Definitive Securities are so registered. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to Section 3.06 of the Original Indenture.

(c) The Company hereby appoints the Transfer Agent as the Registrar for the Senior Notes issued under this Nineteenth Supplemental Indenture and the Transfer Agent accepts such appointment.

Section 2.8. *Cancellation and/or Adjustment of Global Securities.* At such time as all beneficial interests in a particular Global Security have been exchanged for Definitive Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Registrar in accordance with Section 3.09 of the Original Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Definitive Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Registrar or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Registrar or by the Depositary at the direction of the Registrar to reflect such increase.

Section 2.9. *Events of Default.*

(a) The provisions of Section 7.01 of the Original Indenture as they relate to the Senior Notes, shall be replaced in their entirety with the following:

“Section 7.01. *Events of Default.* Except where otherwise indicated by the context or where the term is otherwise defined for a specific purpose, the term “**Event of Default**” as used in this Indenture with respect to Securities of any series shall mean one of the following described events unless it is either inapplicable to a particular series or it is specifically deleted or modified in the manner contemplated in Section 3.01 hereof:

- (a) the Company does not pay interest on any of the Senior Notes within 30 days of their due date;
- (b) the Company fails to pay the principal (or premium, if any) of any Senior Notes when such principal becomes due and payable, at Maturity, upon acceleration, upon redemption or otherwise;
- (c) failure by the Company to comply with its obligations under Section 6.04 hereof;
- (d) the Company remains in breach of a covenant or warranty in respect of this Indenture or the Senior Notes (other than a covenant included in this Indenture solely for the benefit of debt securities of another series) for 90 days after the Company receives a written notice of default, which notice must be sent by either the Trustee or Holders of at least 25% in principal amount of the Outstanding Senior Notes;
- (e) the entry by a court having jurisdiction in the premises of a decree or order for relief in respect of the Company in an involuntary case under the federal Bankruptcy Laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or of substantially all the property of the Company or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;
- (f) the commencement by the Company of a voluntary case under the federal Bankruptcy Laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law now or hereafter in effect, or the consent by the Company to the entry of an order for relief in an involuntary case under any such law, or the consent by the Company to the

appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or similar official) of the Company or of substantially all the property of the Company or the making by it of an assignment for the benefit of creditors or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any action;

(g) the Company or any Significant Subsidiary defaults on any of its indebtedness having an aggregate amount of at least \$200,000,000, constituting a default either of payment of principal when due and payable or which results in acceleration of the indebtedness unless the default has been cured or waived or the indebtedness discharged in full within 60 days after the Company has been notified of the default by the Trustee or Holders of at least 25% in principal amount of the Outstanding Senior Notes; or

(h) one or more final judgments for the payment of money in an aggregate amount in excess of \$200,000,000 above available insurance or indemnity coverage shall be rendered against the Company or any Significant Subsidiary and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed.”

(b) The provisions of Section 7.02(a) of the Original Indenture as they relate to the Senior Notes, shall be replaced in their entirety with the following:

“(a) Except as otherwise provided as contemplated by Section 3.01 hereof with respect to any series of Securities, if any one or more of the above-described Events of Default (other than an Event of Default specified in Section 7.01(e) or 7.01(f) hereof) shall happen with respect to Securities of any series at the time Outstanding, then, and in each and every such case, during the continuance of any such Event of Default, the Trustee or the Holders of 25% or more in principal amount of the Securities of such series then Outstanding may declare the principal (or premium if any) (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of and all accrued but unpaid interest on all the Securities of such series then Outstanding to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable. If an Event of Default specified in Section 7.01(e) or 7.01(f) hereof occurs and is continuing, then in every such case, the principal amount of all of the Securities of that series then Outstanding shall automatically, and without any declaration or any other action on the part of the Trustee or any Holder, become due and payable immediately. Upon payment of such amounts in the Currency in which such Securities are denominated (subject to Section 7.01 hereof and except as otherwise provided pursuant to Section 3.01 hereof), all obligations of the Company in respect of the payment of principal of and interest on the Securities of such series shall terminate.”

ARTICLE THREE

COVENANTS

Section 3.1. *Payments of Additional Amounts by a Foreign Successor Issuer.*

(a) All payments made under or with respect to the Senior Notes by any Foreign Successor Issuer will be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charge (including, without limitation, penalties, interest and other similar liabilities related thereto) of whatever nature (collectively, “**Taxes**”) imposed or levied by or on behalf of any jurisdiction in which such Foreign Successor Issuer is organized, resident or doing business for tax purposes or from or through which such Foreign Successor Issuer makes any payment on the Senior Notes, or, in each case, any department or political subdivision thereof (each, a “**Relevant Taxing Jurisdiction**”), unless such Foreign Successor Issuer or any other applicable withholding agent is required to withhold or deduct Taxes by law. For the avoidance of doubt a Relevant Taxing Jurisdiction shall not include the United States, any state thereof or the District of Columbia. If a Foreign Successor Issuer or any other applicable withholding agent is required by law to make any such withholding or deduction, the Foreign Successor Issuer, subject to the exceptions listed below, will pay such additional amounts (“**Additional Amounts**”) as may be necessary to ensure that the net amount received by each beneficial owner of the Senior Notes after such withholding or deduction (including withholding or deduction attributable to Additional Amounts payable hereunder) will not be less than the amount the beneficial owner would have received if such Taxes had not been withheld or deducted (*provided* that if the applicable withholding agent is a Person other than a Foreign Successor Issuer, the Additional Amounts payable by the Foreign Successor Issuer under this Section 3.1 shall not exceed the Additional Amounts that would have been payable by the Foreign Successor Issuer under this Section 3.1 had the Foreign Successor Issuer been the applicable withholding agent (*i.e.*, had the Foreign Successor Issuer made payments directly to the applicable beneficial owner of the Senior Notes)).

(b) A Foreign Successor Issuer will not, however, pay Additional Amounts to a Holder or beneficial owner of Senior Notes:

(i) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed, withheld or deducted but for the Holder’s or beneficial owner’s present or former connection with the Relevant Taxing Jurisdiction (other than any connection resulting from the acquisition, ownership, holding or disposition of Senior Notes, the receipt of payments thereunder and/or the exercise or enforcement of rights under any Senior Notes);

(ii) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed, withheld or deducted but for the failure of the Holder or beneficial owner of Senior Notes, following the Foreign Successor Issuer’s written request addressed to the Holder or beneficial owner, to the extent such Holder or beneficial owner is legally eligible to do so, either to provide information concerning the holder’s or beneficial owner’s nationality, residence or identity or to comply with any

certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction);

(iii) with respect to any estate, inheritance, gift, sales, transfer, personal property, wealth or any similar Taxes;

(iv) if such Holder is a fiduciary or partnership or Person other than the sole beneficial owner of such payment and the Taxes giving rise to such Additional Amounts would not have been imposed on such payment had the Holder been the beneficiary, partner or sole beneficial owner, as the case may be, of such Senior Note (but only if there is no material cost or expense associated with transferring such Senior Note to such beneficiary, partner or sole beneficial owner and no restriction on such transfer that is outside the control of such beneficiary, partner or sole beneficial owner);

(v) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed, withheld or deducted but for the presentation by the Holder or beneficial owner of any Senior Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(vi) with respect to any Taxes imposed, withheld, levied or deducted pursuant to current Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the “**Code**”) (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations promulgated thereunder or official interpretations thereof, any agreement entered into pursuant to current Section 1471(b) of the Code (or any amended or successor version as described above) or any related fiscal or regulatory legislation, rules or official administrative practice adopted pursuant to any intergovernmental agreement entered into in connection with implementing any of the foregoing; or

(vii) any combination of items (i), (ii), (iii), (iv), (v) and (vi).

(c) A Foreign Successor Issuer will (i) make any such withholding or deduction required by applicable law and (ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Foreign Successor Issuer will make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and the Foreign Successor Issuer will provide to the Trustee, within a reasonable time after the date the payment of any Taxes so deducted or withheld are due pursuant to applicable law, either a certified copy of tax receipts evidencing such payment, or, if such tax receipts are not reasonably available to the Foreign Successor Issuer, such other documentation that provides reasonable evidence of such payment by the Foreign Successor Issuer.

(d) At least 30 calendar days prior to each date on which any payment under or with respect to the Senior Notes is due and payable, if the Foreign Successor Issuer will be obligated to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 35th day prior to the date on which payment under or with respect to the Senior Notes is due and payable, in which case it will be promptly thereafter), the Foreign Successor Issuer will deliver to the Trustee an Officers' Certificate stating that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Trustee to pay such Additional Amounts to Holders on the payment date. The Foreign Successor Issuer will promptly publish a notice in accordance with Section 16.04 of the Original Indenture stating that such Additional Amounts will be payable and describing the obligation to pay such amounts.

(e) In addition, a Foreign Successor Issuer will pay any stamp, issue, registration, court, documentation, excise or other similar taxes, charges and duties, including interest, penalties and other similar liabilities with respect thereto, imposed by any Relevant Taxing Jurisdiction at any time after the merger described above in respect of the execution, issuance, registration or delivery of the Senior Notes or any other document or instrument referred to thereunder and any such taxes, charges or duties imposed by any Relevant Taxing Jurisdiction at any time after the merger described above as a result of, or in connection with, any payments made pursuant to the Senior Notes and/or the enforcement of the Senior Notes and/or any other such document or instrument.

(f) The obligations described under this heading will survive any termination, defeasance or discharge of the Indenture and will apply *mutatis mutandis* to any successor Person to any Foreign Successor Issuer (other than a Person organized under the laws of the United States, any state thereof or the District of Columbia) and to any jurisdiction in which such successor Person is organized, resident or doing business for tax purposes or any jurisdiction from or through which payment is made by such successor or its respective agents or, in each case, any department or political subdivision thereof.

(g) Whenever this Indenture or the Senior Notes refer to, in any context, the payment of principal, premium, if any, interest or any other amount payable under or with respect to any Senior Note, such reference includes the payment of Additional Amounts as described hereunder, if applicable.

Section 3.2. *Limitations on Liens.*

(a) The Company shall not (nor shall it permit any of its Significant Subsidiaries to) create or permit to exist any Lien on any Principal Property of the Company or any of its Significant Subsidiaries (or on any stock of a Significant Subsidiary), whether owned on the Issue Date or thereafter acquired, to secure any Indebtedness (any such Lien, a "**Subject Lien**"), unless the Company contemporaneously secures the Senior Notes (together with, if the Company so determines, any other Indebtedness of or guaranty by the Company or such Significant Subsidiary then existing or thereafter created that is not subordinated to the Senior Notes) equally and ratably with (or, at the option of the Company, prior to) that obligation.

(b) The foregoing restriction, however, shall not apply to (i) Permitted Liens and (ii) Liens securing Indebtedness if at the time of determination, after giving effect to the incurrence of such Indebtedness and to the retirement of Indebtedness which is being retired substantially concurrently therewith, the sum of (1) the aggregate principal amount of all Indebtedness of the Company and its Subsidiaries secured by Subject Liens (other than Permitted Liens) and (2) the Attributable Debt in respect of all Sale and Lease-Back Transactions not otherwise permitted under the first sentence of Section 3.3 hereof does not exceed fifteen percent of Consolidated Net Tangible Assets.

Section 3.3. *Limitations on Sale and Lease-Back Transactions.* The Company shall not, and shall not permit any of its Significant Subsidiaries to, enter into any Sale and Lease-Back Transaction with respect to any Principal Property, other than (x) any such Sale and Lease-Back Transaction involving a lease for a term of not more than three years or (y) any such Sale and Lease-Back Transaction between the Company and one of its Subsidiaries or between its Subsidiaries, unless:

(a) the Company or such Significant Subsidiary would be entitled to incur Indebtedness secured by a Lien on the Principal Property involved in such Sale and Lease-Back Transaction at least equal in amount to the Attributable Debt with respect to such Sale and Lease-Back Transaction, without equally and ratably securing the Senior Notes, pursuant to Section 3.2 hereof; or

(b) the proceeds of such Sale and Lease-Back Transaction are at least equal to the fair market value of the affected Principal Property (as determined in good faith by the Board of Directors) and the Company applies an amount equal to the net proceeds of such Sale and Lease-Back Transaction within 365 days of such Sale and Lease-Back Transaction to any (or a combination) of:

(i) the prepayment or retirement of the Senior Notes;

(ii) the prepayment or retirement (other than any mandatory retirement, mandatory prepayment or sinking fund payment or by payment at Maturity) of other Indebtedness of the Company or of one of its Subsidiaries (other than Indebtedness that is subordinated to the Senior Notes or Indebtedness owed to the Company or one of its Subsidiaries) that matures more than 12 months after its creation (including any such Indebtedness that by its terms is renewable or extendible beyond 12 months from the date of its creation, at the option of the Company); or

(iii) the purchase, construction, development, expansion or improvement of other comparable property.

Notwithstanding the foregoing, the Company and its Significant Subsidiaries shall be allowed to enter into any Sale and Lease-Back Transaction if, after giving effect to such Sale and Lease-Back Transaction, the sum of (i) the aggregate principal amount of all Indebtedness of the Company and its Subsidiaries secured by Subject Liens (other than Permitted Liens) and (ii) the Attributable Debt in respect of all Sale and Lease-Back Transactions not otherwise permitted under the first sentence of this Section 3.3, does not exceed fifteen percent of Consolidated Net Tangible Assets.

Section 3.4. *Limitations on Mergers and Other Transactions.* With respect to the Senior Notes, the provisions of Section 6.04 of the Original Indenture shall be replaced in its entirety with the following:

“Section 6.04. *Company May Consolidate, Etc., Only on Certain Terms.*

(a) The Company shall not consolidate or merge with another entity or sell, transfer or otherwise convey all or substantially all of its assets to another entity, unless in each case:

(1) the resulting entity (if other than the Company) (x) is a Person organized under the laws of any U.S. jurisdiction, the United Kingdom or any country that is a member country of the European Union on the Issue Date and (y) delivers a supplemental indenture by which such surviving entity expressly assumes the Company’s obligations under the Indenture; and

(2) immediately following the consolidation, merger, sale or conveyance, no Event of Default (as defined below) (and no event which, after notice or lapse of time or both, would become an Event of Default) shall have occurred and be continuing.

(b) Upon any consolidation of the Company with, or merger of the Company into, any other Person or any conveyance, transfer or lease of the properties and assets of the Company substantially as an entirety to another Person in accordance with Section 6.04(a) hereof, the successor Person formed by such consolidation or into which the Company is merged or to which such merger, sale or conveyance, is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.”

Section 3.5. *Repurchase upon Change of Control Triggering Event.*

(a) If a Change of Control Triggering Event occurs with respect to the Senior Notes, unless the Company has exercised its right pursuant to Section 4.1 or Section 4.2 hereof to redeem the Senior Notes, the Company will make an offer to each Holder of the Senior Notes to repurchase all or, at such Holder’s option, any part (equal to €100,000 or any integral multiple of €1,000 in excess thereof) of such Holder’s Senior Notes (the “**Change of Control Offer**”) for payment in cash equal to 101% of the aggregate principal amount of the Senior Notes repurchased plus accrued and unpaid interest, if any, on the Senior Notes repurchased to, but not including, the date of purchase (the “**Change of Control Payment**”).

(b) Within 30 days following any Change of Control Triggering Event with respect to the Senior Notes or, at the Company's option, prior to any Change of Control but after the public announcement of the transaction or transactions that constitute or may constitute a Change of Control, the Company will mail a notice to Holders of the Senior Notes, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Triggering Event and offering to repurchase such Senior Notes on the date specified in the notice, which date will be no earlier than 30 and no later than 60 days from the date such notice is mailed (the "**Change of Control Payment Date**"), pursuant to the procedures required by such Senior Notes and described in such notice. The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. Upon ten (10) Business Days' advance written notice to the Trustee, the Company may request the Trustee to send the notice to Holders described in this Section 3.5(b) in the name of and at the expense of the Company.

(c) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of such Senior Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Senior Notes or the Indenture, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under the Senior Notes or the Indenture by virtue of such conflict.

(d) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Senior Notes or portions of Senior Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Senior Notes or portions of Senior Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee or the Paying Agent properly accepted together with an Officer's Certificate stating the aggregate principal amount of Senior Notes or portions of Senior Notes being purchased by the Company.

(e) The Paying Agent shall promptly mail, to each Holder who properly tendered Senior Notes, the purchase price for such Senior Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Note equal in principal amount to any unpurchased portion of the Senior Notes surrendered, if any; *provided* that each new Note will be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such a Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Nineteenth Supplemental Indenture applicable to a Change of Control Offer made by the Company and such third party purchases all Senior Notes properly tendered and not withdrawn under its Change of Control Offer. In the event that such third party terminates or defaults on its Change of Control Offer, the Company will make a Change of Control Offer treating the date of such termination or default as though it were the date of the Change of Control Triggering Event.

(g) The Company will not purchase any Senior Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default under the Indenture, other than a default in the payment of the Change of Control Payment.

ARTICLE FOUR

Section 4.1. *Optional Redemption by Company.*

(a) Prior to December 15, 2031 (two (2) months before the maturity date of the Senior Notes) (the “**Par Call Date**”), the Company shall have the right to redeem the Senior Notes, in whole, at any time, or in part, from time to time, at the option of the Company, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) (the “**Make-Whole Redemption Price**”) equal to the greater of:

(i) 100% of the principal amount of the Senior Notes to be redeemed; and

(ii) as determined by the Quotation Agent, the sum of the present values of the remaining scheduled payments of principal and interest in respect of the Senior Notes to be redeemed (assuming the Senior Notes matured on the Par Call Date and exclusive of interest accrued and unpaid as of the Redemption Date) discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)), at a rate equal to the Bund Rate plus 35 basis points,

plus accrued and unpaid interest thereon to the Redemption Date.

If the Redemption Date is after a Record Date and on or prior to a corresponding Interest Payment Date, interest will be paid on the Redemption Date to the holder of record on the Record Date. On and after a Redemption Date, interest will cease to accrue on the Senior Notes called for redemption (unless the Company defaults in the payment of the Make-Whole Redemption Price and accrued interest). On or before a Redemption Date, the Company will deposit with a Paying Agent (or the Trustee) money sufficient to pay the Make-Whole Redemption Price of and accrued interest on the Senior Notes to be redeemed on that date. If the Company elects to redeem less than all of the Senior Notes, and such Senior Notes are at the time represented by a Global Security, then the Trustee will select pro rata or by lot or by a method the Trustee deems to be fair and appropriate, in accordance with the Depository’s procedures, the particular interests to be redeemed. If the Company elects to redeem less than all of the Senior Notes, and any of such Senior Notes are not represented by a Global Security, then the Trustee will select the particular Senior Notes to be redeemed in a manner it deems appropriate and fair (and the Depository will select by lot the particular interests in any Global Security to be redeemed).

(b) Notwithstanding the foregoing, at any time on or after the Par Call Date, the Company shall have the right to redeem the Senior Notes, in whole at any time or, in part, from time to time, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Senior Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(c) Notice of any redemption pursuant to this Section 4.1 shall be given as provided in Section 4.03 of the Original Indenture, with a copy to the Paying Agent; *provided*, that, with respect to the Senior Notes, (i) the number “30” referenced in Section 4.03(a) of the Original Indenture shall be replaced with the number “10” and (ii) the phrase “*provided*, that any notice of redemption delivered pursuant to Section 4.03(a) may be electronically delivered (or otherwise transmitted in accordance with the depository’s procedures)” shall be added before the period in Section 16.06(a) of the Original Indenture. Any such notice of redemption may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of securities offerings or other corporate transactions. If the Company requests the Trustee to provide such notice of redemption pursuant to Section 4.03 of the Original Indenture, the Trustee shall receive written notice from the Company at least 10 days prior to when such notice of redemption is to be delivered (unless a shorter period is agreed by the Trustee). The Trustee shall not be responsible for the calculation of such Make-Whole Redemption Price. The Company shall calculate such Make-Whole Redemption Price and promptly notify the Trustee in writing thereof.

Section 4.2. *Tax Redemption.*

If, as a result of:

(i) any amendment to, or change in, the laws (or regulations or rulings promulgated thereunder) or treaties of any Relevant Taxing Jurisdiction which is announced and becomes effective after the date on which a Foreign Successor Issuer becomes a Foreign Successor Issuer (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date); or

(ii) any amendment to, or change in, the official application or official interpretation of the laws, regulations or rulings of any Relevant Taxing Jurisdiction (including any such amendment or change resulting from a holding by a court of competent jurisdiction in the Relevant Taxing Jurisdiction) which is announced and becomes effective after the date on which a Foreign Successor Issuer becomes a Foreign Successor Issuer (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date),

such Foreign Successor Issuer would be obligated to pay, on the next date for any payment, Additional Amounts pursuant to Section 3.1 hereof with respect to the Relevant Taxing Jurisdiction, which such Foreign Successor Issuer reasonably determines it cannot avoid by the use of reasonable measures available to it, then such Foreign Successor Issuer may redeem all, but not less than all, of the Senior Notes, at any time thereafter, upon not less than 30 nor more than 60 days’ notice, at a redemption price of 100% of their principal amount, plus accrued and unpaid interest, if any, to the Redemption Date. Prior to the giving of any notice of redemption described in this paragraph, a Foreign Successor Issuer will deliver to the Trustee:

(i) a certificate signed by an officer of such Foreign Successor Issuer stating that the obligation to pay the Additional Amounts cannot be avoided by such Foreign Successor Issuer's taking reasonable measures available to it; and

(ii) a written opinion of independent legal counsel to such Foreign Successor Issuer of recognized standing to the effect that such Foreign Successor Issuer has or will become obligated to pay such Additional Amounts as a result of a change, amendment, official interpretation or application described above.

Section 4.3. *Notice of Redemption.* A Foreign Successor Issuer will deliver a notice of any optional redemption of the Senior Notes described above to each registered holder of the Senior Notes in accordance with Section 4.03 of the Original Indenture. No such notice of redemption may be given more than 60 days before or 365 days after the Foreign Successor Issuer first becomes liable to pay any Additional Amounts. If the Foreign Successor Issuer requests the Trustee to provide the notice in accordance with Section 4.03 of the Original Indenture, the Trustee shall receive written notice from the Company at least 10 days prior to when such notice of redemption is to be delivered (unless a shorter period is agreed by the Trustee).

Section 4.4. *Special Mandatory Redemption.*

(a) If (x) the consummation of the Adenza Transaction does not occur on or before the later of (i) the date that is five (5) Business Days after September 10, 2024 and (ii) the date that is five (5) Business Days after any later date to which Seller and the Company may agree to extend the Outside Date in the Adenza Transaction Agreement (such later date, the "**Extended Termination Date**") or (y) the Company notifies the Trustee that the Company will not pursue the consummation of the Adenza Transaction (the earlier of the date of delivery of such notice described in clause (y) and the Extended Termination Date, the "**Special Mandatory Redemption Trigger Date**"), the Company will be required to redeem all and not less than all of the Senior Notes then outstanding by a date no later than ten (10) Business Days after the Special Mandatory Redemption Trigger Date (the "**Special Mandatory Redemption End Date**") at a redemption price equal to 101% of the principal amount of the Senior Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Special Mandatory Redemption Date (the "**Special Mandatory Redemption Price**").

This Security is one of a duly authorized issue of securities of the Company (herein called the “**Securities**”), of the series hereinafter specified, issued and to be issued in one or more series under an Indenture, dated as of June 7, 2013 (the “**Original Indenture**”), as supplemented by the Nineteenth Supplemental Indenture, dated as of June 28, 2023 (the “**Nineteenth Supplemental Indenture**” and as so supplemented, the “**Indenture**”), between the Company and Computershare Trust Company, N.A., as successor to Wells Fargo Bank, National Association, as Trustee (herein called the “**Trustee**”, which term includes any successor trustee under the Indenture), HSBC Bank USA, National Association as paying agent and as registrar and transfer agent, and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which this Security are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof initially limited in aggregate principal amount to €750,000,000, *provided* that the Company may, without the consent of any Holder, at any time and from time to time increase the initial principal amount.

The Securities of this series are subject to redemption as provided in Sections 4.1, 4.2 and 4.3 of the Nineteenth Supplemental Indenture.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security and certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Securities of this series shall occur and be continuing, the unpaid principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Register, upon surrender of this Security for registration of transfer at the Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Securities of this series are exchangeable for a like aggregate principal amount of the Securities of this series of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

If any Interest Payment Date, Redemption Date or Maturity falls on a day that is not a Business Day, then the relevant payment may be made on the next succeeding Business Day and no interest will accrue because of such delayed payment.
