About Multimedia Games Holding Company, Inc. [MGAM]:

Through its wholly owned subsidiary, Multimedia Games Holding Company, Inc. ("Multimedia Games") develops and distributes gaming technology. The company is a creator and supplier of comprehensive systems, content and electronic gaming units for Native American gaming markets, as well as for commercial casinos and charity and international bingo markets. Revenue is primarily derived from gaming units installed on revenue-sharing arrangements. Multimedia Games also supplies the central determinant system for the video lottery terminals ("VLTs") installed at racetracks in the State of New York. The company is focused on pursuing market expansion and new product development for Class II, Class III and VLT markets. Please visit www.multimedialogames.com, twitter.com/MultimediaGames or facebook.com/MultimediaGames, where Multimedia Games discloses important information about the Company, its sales, and its business.

About NASDAQ OMX Group:

The inventor of the electronic exchange, The NASDAQ OMX Group, Inc., fuels economies and provides transformative technologies for the entire lifecycle of a trade - from risk management to trade to surveillance to clearing.
