Article III Meetings of Stockholders

Sec. 3.1 Annual Meetings of Stockholders

(a) Nominations of persons for election to the Board and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders only (i) pursuant to the Corporation's notice of meeting (or any supplement thereto), (ii) by or at the direction of the Board or the

Nominating & Governance Committee or (iii) by any stockholder of the Corporation who (A) is a stockholder of record of the Corporation (and, with respect to any beneficial owner, if such person is different from the shareholder of record, on whose behalf such nomination or other business is made or proposed to be brought, only if such beneficial owner was the beneficial owner of shares of the Corporation) both at the time the notice provided for in this Section 3.1 is delivered to the Secretary of the Corporation and at the time of the meeting, (B) is entitled to vote at the meeting and (C) complies with the notice procedures set forth in this Section 3.1.

(b) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to Section 3.1(a)(iii), the stockholder must have given timely notice thereof (including, in the case of a nomination, timely delivery of the completed and signed questionnaire, representation and agreement required by Section 3.1(b)(i)(D)), and timely updates or supplements to such notice, in writing and in proper form to the Secretary of the Corporation and any such proposed business other than the nominations of persons for election to the Board must constitute a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty days before or more than seventy days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. In addition, to be timely, a stockholder's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the annual meeting and as of the 10th business day prior to the annual meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered in writing to the Secretary at the principal executive offices of the Corporation not later than the fifth business day after the record date for the annual meeting (in the case of the update and supplement required to be made as of the record date), and not later than the eighth business day prior to the date for the annual meeting or, if practicable, any adjournment or postponement thereof and, if not practicable, on the first practicable date prior to the date to which the annual meeting has been adjourned or postponed (in the case of the update and supplement required to be made as of the 10th business day prior to the annual meeting or any adjournment or postponement thereof). Such stockholder's notice shall set forth:

(i) as to each person, if any, whom a Proposing Person proposes to nominate for election or reelection as a director, (A) all information with respect to such proposed nominee that would be required to be disclosed pursuant to clause (iii) of this Section 3.1(b) if such proposed nominee were a Proposing Person, (B) all information relating to such proposed nominee that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Section 14(a) under the Act and the rules thereunder (including such proposed nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), (C) a description of all direct and indirect compensation and other material monetary agreements,

arrangements and understandings during the past three years, and any other material relationships, between or among any Proposing Person, on the one hand, and such proposed nominee and any of his or her respective affiliates and associates, on the other hand, including, without limitation, all information that would be required to be disclosed pursuant to Item 404 under Regulation S-K if such Requesting Person were the “registrant” for purposes of such rule and the proposed nominee were a director or executive officer of such registrant, and (D) a completed and signed questionnaire, representation and agreement in accordance with Section 3.5. The Corporation may require any proposed nominee to furnish such other information (i) as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation or (ii) that could be material to a reasonable stockholder’s understanding of the independence, or lack of independence, of such proposed nominee;

(ii) as to any other business that the stockholder proposes to bring before the meeting, (A) a reasonably detailed description of such business, the reason or reasons for conducting such business at such meeting and any material interest in such business of each Proposing Person, (B) the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the By-Laws of the Corporation, the language of the proposed amendment), and (C) a reasonably detailed description of all contracts, agreements, arrangements and understandings (1) between or among any of the Proposing Persons or (2) between or among any Proposing Person and any other person or persons (including their names) in connection with the proposal of such business; and

(iii) as to each Proposing Person

(C) a description of any agreement, arrangement or understanding with respect to the nomination or proposal between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing;

(D) any derivative, swap or other transaction (including any short positions, profit interest, options, warrants, convertible securities, stock appreciation or similar rights) or series of transactions engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to give such Proposing Person economic risk similar to ownership of shares of any class or series of the Corporation, including due to the fact that the value of such derivative, swap or other transaction or series of transactions is determined by reference to the price, value or volatility of any shares of any class or series of the Corporation, or which derivative, swap or other transaction or series of transactions provides, directly or indirectly, the opportunity to profit from any increase in the price or

value of shares of any class or series of the Corporation (any of the foregoing, a “Synthetic Equity Interest”), which Synthetic Equity Interest shall be disclosed without regard to whether (1) the derivative, swap or other transaction or series of transactions conveys any voting rights in such shares to such Proposing Person, (2) the derivative, swap or other transaction or series of transactions is required to be, or is capable of being, settled through delivery of such shares or (3) such Proposing Person may have entered into other transactions that hedge or mitigate the economic effect of such derivative, swap or other transaction or series of transactions;

(E) any proxy (other than a revocable proxy or consent given in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Act by way of a solicitation statement filed on Schedule 14A), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person has or shares a right to vote any shares of any class or series of the Corporation;

(F) any proportionate interest in shares of the Corporation or Synthetic Equity Interest held, directly or indirectly, by a general or limited partnership in which such Proposing Person is a general partner or, directly or indirectly, beneficially owns an interest in a general partner;

(G) any agreement, arrangement, understanding or relationship, including any repurchase or similar so-called “stock borrowing” agreement or arrangement, entered into or engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of shares of any class or series of the Corporation by, manage the risk of share price changes for, or increase or decrease the voting power of, such Proposing Person with respect to shares of any class or series of the Corporation, or that provides, directly or indirectly, the opportunity to profit from any decrease in the price or value of shares of any class or series of the Corporation (any of the foregoing, a “Short Interest”);

(H) any performance-related fees (other than an asset-based fee) to which such Proposing Person is entitled based on any increase or decrease in the price or value of shares of any class or series of the Corporation, or any Synthetic Equity Interest or Short Interest;

(I) any significant equity interest or any Synthetic Equity Interest or Short Interest in any principal competitor of the Corporation held by such Proposing Person;

(J) any direct or indirect interest of such Proposing Person in any contract with the Corporation, any affiliate of the Corporation or any principal competitor of the Corporation (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement);

(K) any pending or threatened litigation in which such Proposing Person is a party or material participant involving the Corporation or any of its officers or Directors, or any affiliate of the Corporation;

(L) any material transaction occurring, in whole or in part, during the then immediately preceding 12-month period between such Proposing Person, on the one hand, and the Corporation, any affiliate of the Corporation or any principal competitor of the Corporation, on the other hand;

(M) any other information relating to the Proposing Person required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of Directors in an election contest pursuant to and in accordance with Section 14(a) of the Act and the rules and regulations promulgated thereunder (the disclosures to be made pursuant to the foregoing clauses (C) through (M) are referred to as “Disclosable Interests”); provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the stockholder directed to prepare and submit the notice required by these By-Laws on behalf of a beneficial owner;

(N) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination; and

(O) a representation whether the Proposing Person intends or is part of a group which intends (1) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation’s outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (2) otherwise to solicit proxies from stockholders in support of such proposal or nomination.

The foregoing notice requirements of this Article III shall be deemed satisfied by a stockholder with respect to business other than a nomination if the stockholder has notified the Corporation of his, her or its intention to present a proposal at an annual meeting in compliance with applicable rules and regulations promulgated under the Act and such stockholder’s proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting.

(c) For purposes of this Section 3.1, the term “Proposing Person” shall mean (i) the stockholder providing the notice of business or the notice of the nomination, as applicable, proposed to be brought before an annual meeting, (ii) any beneficial owner or beneficial owners, if different, on whose behalf such business is proposed to be brought before the meeting or the notice of the nomination proposed to be made at the meeting is made, as applicable, and (iii) any affiliate or associate (each within the meaning of Rule 12b-2 under the Act for purposes of these By-Laws) of such stockholder or beneficial owner.

(d) Notwithstanding anything in the second sentence of Section 3.1(b) to the contrary, in the event that the number of directors to be elected to the Board at an annual meeting is increased effective at the annual meeting and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred days prior to the first anniversary of the preceding year’s annual meeting, a stockholder’s notice required by this Section 3.1 shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

Sec. 3.2 Special Meetings of Stockholders

(a) Special meetings of the stockholders of the Corporation may only be called (i) at any time by the Board pursuant to a resolution adopted by a majority of the total number of directors the Corporation would have if there were no vacancies and (ii) by the Secretary following his or her receipt of a written request in proper form for a special meeting (a “Special Meeting Request”) by one or more stockholders holding of record, in the aggregate, at least 15 percent of the outstanding shares of capital stock of the Corporation entitled to vote on the matter or matters to be brought before the proposed special meeting (the “Requisite Percentage”), which shares are determined to be “Net Long Shares” in accordance with this Section 3.2, and having held such Net Long Shares continuously for at least one year as of the date of such request (the “Requisite Holders”). For purposes of determining Requisite Holders under this Section 3.2, “Net Long Shares” shall be limited to the number of shares beneficially owned, directly or indirectly, by any stockholder or beneficial owner that constitute such person’s “net long position” as defined in Rule 14e-4 under the Act, provided that (A) for the purposes of such definition, references in such Rule to “the date the tender offer is first publicly announced or otherwise made known by the bidder to the holders of the security to be acquired” shall be the date of the relevant Special Meeting Request and all dates in the one year period prior thereto, the “highest tender offer price or stated amount of the consideration offered for the subject security” shall refer to the closing sales price of the Corporation’s capital stock on the NASDAQ Stock Market on such date (or, if such date is not a trading day, the next succeeding trading day), the “person whose securities are the subject of the offer” shall refer to the Corporation, a “subject security” shall refer to the issued and outstanding voting stock of the Corporation; and (B) the net long position of such stockholder shall be reduced by any shares as to which such person does not have the right to vote or direct the vote at the proposed special meeting or as to which such person has entered into a derivative or other agreement, arrangement or understanding that hedges or transfers, in whole or in part, directly or indirectly, any of the economic consequences of ownership of such shares. In addition, to the extent any affiliates of the stockholder or beneficial owner are acting in concert with the stockholder or beneficial owner with respect to the calling of the special meeting, the determination of Net Long Shares may include the effect of aggregating the Net Long Shares (including any negative number) of such affiliate or affiliates. Whether shares constitute Net Long Shares shall ultimately be decided by the Board in its reasonable determination. In determining whether a special meeting of stockholders has been requested by the Requisite Holders representing in the aggregate at least the Requisite Percentage, multiple Special Meeting Requests delivered to the Secretary will be considered together only if (i) each Special Meeting Request identifies substantially the same purpose or purposes of the special meeting and substantially the same matters proposed to be acted on at the requested special meeting (in each case as determined in good faith by the Board) and (ii) such Special Meeting Requests have been dated and delivered to the secretary within 60 days of the earliest dated Special Meeting Request. To be in proper form, a Special Meeting Request must comply with this Section 3.2. The Board shall determine whether a Special Meeting Request is in proper form and such determination shall be binding on the Corporation and the stockholders.

(b) If a Special Meeting Request is in proper form, the Board shall determine the place, if any, date and time of the special meeting requested in such Special Meeting Request and the Secretary shall call such

special meeting; provided, however, that the date of the special meeting requested in such Special Meeting Request shall not be more than 120 days after the date on which such Special Meeting Request was delivered to the Secretary; provided, further, that the Board may (in lieu of calling the special meeting requested in such Special Meeting Request) present an identical or substantially similar item of business (a “Similar Item”; the election of directors shall be deemed a “Similar Item” with respect to all items of business involving the nomination, election or removal of directors), as determined in good faith by the Board, for stockholder approval at any other meeting of the stockholders that is held not less than 120 days after the date on which such Special Meeting Request was delivered to the Secretary. In fixing the place, if any, date and time for any special meeting, the Board may consider such factors as it deems relevant in its business judgment, including, without limitation, the nature of the matters to be considered, the facts and circumstances surrounding any request for a meeting and any plan of the Board to call an annual meeting or a special meeting.

(c) Notwithstanding anything in these By-Laws to the contrary, a Special Meeting Request shall not be valid and the special meeting requested in such Special Meeting Request shall not be called by the Secretary if (i) such Special Meeting Request relates to an item of business that is not a proper subject for stockholder action under applicable law, (ii) such Special Meeting Request is delivered to the Secretary during the period commencing 90 days prior to the one-year anniversary of the date of the immediately preceding annual meeting and ending on the date of the next annual meeting, (iii) a Similar Item was presented at any meeting of stockholders held within 120 days prior to the date on which such Special Meeting Request was delivered to the Secretary or (iv) a Similar Item is included in the Corporation’s notice of meeting as an item of Business to be presented at a stockholder’s meeting that has been called but not yet held. The Board may adjourn or reschedule any previously scheduled special meeting of the stockholders.

(d) To be in proper form for purposes of this Section 3.2, a Special Meeting Request shall:

(i) Be in writing, signed by each Requesting Person (as defined in Section 3.2(e)) and delivered to the Secretary at the principal executive offices of the Corporation;

(ii) Set forth the information described in Section 3.1(b)(i), Section 3.1(b)(ii) and, as to each Requesting Person, the information described in Section 3.1(b)(iii) (except that, for purposes of this Section 3.2(d)(ii), the term “Requesting Person” shall be substituted for the term “Proposing Person” in all places it appears in Section 3.1(b)(i), Section 3.1(b)(ii) and Section 3.1(b)(iii)); and

(iii) Include (A) an agreement by each Requisite Holder to immediately deliver written notice to the Secretary at the principal executive offices of the Corporation in the case of any disposition, on or prior to the record date for the special meeting requested in the Special Meeting Request, of any shares of capital stock of the Corporation held of record by such Requisite Holder and (B) an acknowledgement that (1) any such disposition shall be deemed a revocation of the Special Meeting Request to the extent of such disposition and (2) if, following such deemed revocation, the Requisite Holders hold of record, in the aggregate, less than the Requisite Percentage of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, there shall be no obligation to hold such special meeting.

(e) For purposes of this Section 3.2, the term “Requesting Person” shall mean (i) each Requisite Holder, (ii) the beneficial owner or beneficial owners, if different, on whose behalf the Special Meeting Request is being delivered to the Secretary and (iii) any affiliate or associate of such stockholder or beneficial owner.

(f) At any special meeting of the stockholders, only such business shall be conducted or considered as shall have been specified in the Corporation’s notice of meeting (or any supplement thereto) given by or at the direction of the Board or the Secretary, as the case may be. Notwithstanding anything in these By-Laws to the contrary, the Board may submit its own proposal or proposals for consideration at a special meeting. Except in accordance with this Section 3.2, stockholders shall not be permitted to propose business to be brought before a special meeting of the stockholders.

(g) The Requisite Holders giving a Special Meeting Request shall further update and supplement such Special Meeting Request, if necessary, so that the information provided or required to be provided in such Special Meeting Request shall be true and correct as of the record date for the special meeting requested to be called pursuant to such Special Meeting Request and as of the 10th business day prior to the special meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the fifth business day after the record date for the special meeting (in the case of the update and supplement required to be made as of the record date), and not later than the eighth business day prior to the date for the special meeting or, if practical, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the special meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of the 10th business day prior to the special meeting or any adjournment or postponement thereof).

(h) The Requisite Holders may revoke a Special Meeting Request by written revocation delivered to the Corporation at any time prior to the special meeting requested in such Special Meeting Request; provided, however, that the Board shall have the discretion to determine whether or not to proceed with the special meeting.

(i) In the event the Board calls a special meeting of stockholders for the purpose of electing one or more directors to the Board, any such stockholder entitled to vote in such election may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation’s notice of meeting, if the stockholder’s notice required by Section 3.1(b) shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth day prior to such special meeting and not later than the close of business on the later of the ninetieth day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder’s notice as described above.

Sec. 3.3 General

(a) Only such persons who are nominated in accordance with the procedures set forth in this Article III shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been

brought before the meeting in accordance with the procedures set forth in this Article III. Except as otherwise provided by law, the chairman of the meeting shall have the power and duty (i) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Article III (including whether the Proposing Person solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies in support of such nomination or proposal in compliance with such Proposing Person's representation as required by Section 3.1(b)(iii)(O)) and (ii) if any proposed nomination or business was not made or proposed in compliance with this Article III, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Article III, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 3.3, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(b) For purposes of this Article III, "public announcement" shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Commission pursuant to Section 13, 14, or 15(d) of the Act.

(c) Notwithstanding the foregoing provisions of this Article III, a stockholder shall also comply with all applicable requirements of the Act and the rules and regulations thereunder with respect to the matters set forth in this Article III; provided however, that any references in these By-Laws to the Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Article III (including Section 3.1(a)(iii) and (b) hereof), and compliance with Section 3.1(a)(iii) and (b) of this Article III shall be the exclusive means for a stockholder to make nominations or submit other business (other than, as provided in the last sentence of Section 3.1(b), matters brought properly under and in compliance with Rule 14a-8 of the Act, as may be amended from time to time). Nothing in Article III shall be deemed to affect any rights (i) of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Act or (ii) of the holders of any series of Preferred Stock to elect directors pursuant to any applicable provisions of the Restated Certificate of Incorporation.

Sec. 3.4 Conduct of Meetings

The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the person presiding over the meeting. The Board may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted

by the Board, the person presiding over any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the presiding officer of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board or the person presiding over the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Sec. 3.5 Submission of Questionnaire, Representation and Agreement

To be eligible to be a nominee for election or reelection as a director of the Corporation, a proposed nominee must deliver (in accordance with the time periods prescribed for delivery of a stockholder's notice under Section 3.1(b) or Section 3.2(i), as applicable), to the Secretary at the principal executive offices of the Corporation a written questionnaire with respect to the background and qualification of such proposed nominee (which questionnaire shall be provided by the Secretary upon written request), and a written representation and agreement (in form provided by the Secretary upon written request) that such proposed nominee (i) is not and will not become a party to (A) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person as to how such proposed nominee, if elected as a director of the Corporation, will act or vote on any issue or question (a "Voting Commitment") that has not been fully disclosed to the Corporation or (B) any Voting Commitment that could limit or interfere with such proposed nominee's ability to comply, if elected as a director of the Corporation, with such proposed nominee's fiduciary duties under applicable law, (ii) is not, and will not become a party to, any agreement, arrangement or understanding with any person other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director of the Corporation that has not been fully disclosed to the Corporation, (iii) would be in compliance, if elected as a director of the Corporation, and will comply, with Section 4.3 and Section 4.14, and (iv) in such proposed nominee's individual capacity and on behalf of any person on whose behalf the nomination is made, would be in compliance, if elected as a director of the Corporation, and will comply, with the Corporation's Corporate Governance Guidelines, Board of Director Code of Conduct and Code of Ethics, including all applicable, publicly disclosed conflict of interest, confidentiality, stock ownership and insider trading policies and guidelines of the Corporation.

Article IV Board of Directors

Sec. 4.1 General Powers

The property, business, and affairs of the Corporation's staff shall be managed by or under the direction of the Board. The Board may exercise all such powers of the Corporation and have the authority to perform all such lawful acts as are permitted by law, the Restated Certificate of Incorporation, or these By Laws. To the fullest extent permitted by applicable law, the Restated Certificate of Incorporation, and these By-Laws, the Board may delegate any of its powers to a committee appointed pursuant to Section 4.13 or to the Corporation staff.

Sec. 4.2 Number of Directors

The exact number of members of the Board shall be determined by resolution adopted by the Board from time to time. Any new Director position created as a result of an increase in the size of the Board shall be filled in accordance with the Restated Certificate of Incorporation.

Sec. 4.3 Qualifications

Directors need not be stockholders of the Corporation. The number of Non-Industry Directors shall equal or exceed the number of Industry Directors. The Board shall include at least two Public Directors. The Board may include at least one, but no more than two, Issuer Directors. The Board shall include no more than one Staff Director, unless the Board consists of ten or more Directors. In such case, the Board shall include no more than two Staff Directors.

Sec. 4.4 Election

Except as otherwise provided by law or these By-Laws, after the first meeting of the Corporation at which Directors are elected, Directors of the Corporation shall be elected each year at the annual meeting of the stockholders, or at a special meeting called for such purpose in lieu of the annual meeting. If the annual election of Directors is not held on the date designated therefor, the Directors shall cause such election to be held as soon thereafter as convenient.

Except as otherwise provided by these By-Laws, each Director shall be elected by the vote of the majority of the votes cast with respect to that Director's election at any meeting for the election of Directors at which a quorum is present, provided that if, as of the tenth (10th) day preceding the date the Corporation first mails its notice of meeting for such meeting to the stockholders of the Corporation, the number of nominees exceeds the number of Directors to be elected (a "Contested Election"), the Directors shall be elected by the vote of a plurality of the votes cast. For purposes of this Section 4.4 of these By-Laws, a majority of votes cast shall mean that the number of votes cast "for" a Director's election exceeds the number of votes cast "against" that Director's election (with "abstentions" and "broker nonvotes" not counted as a vote cast either "for" or "against" that Director's election).

In order for any incumbent Director to become a nominee of the Board for further service on the Board, such person must submit an irrevocable resignation, contingent on (i) that person not receiving a majority of the votes cast in an election that is not a Contested Election, and (ii) acceptance of that resignation by the Board in accordance with the policies and procedures adopted by the Board for such purpose. In the event an incumbent Director fails to receive a majority of the votes cast in an election that is not a Contested Election, the Nominating & Governance Committee, or such other committee designated by the Board pursuant to these By-Laws, shall make a recommendation to the Board as to whether to accept or reject the resignation of such incumbent Director, or whether other action should be taken. The Board shall act on the resignation, taking into account the committee's recommendation, and publicly disclose (by a press release and filing an appropriate disclosure with the Commission) its decision regarding the resignation and, if such resignation is rejected, the rationale behind the decision within ninety (90) days following certification of the election results. The committee in making its recommendation and the Board in making its decision each may consider any factors and other information that they consider appropriate and relevant.

If the Board accepts a Director's resignation pursuant to this Section 4.4, or if a nominee for Director is not elected and the nominee is not an incumbent Director, then the Board may fill the resulting vacancy pursuant to Section 4.8 of these By-Laws.

Sec. 4.5 Resignation

Any Director may resign at any time either upon notice of resignation to the Chair of the Board, the Chief Executive Officer, the President, or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time is not specified, upon receipt thereof, and the acceptance of such resignation, unless required by the terms thereof, shall not be necessary to make such resignation effective.

Sec. 4.6 Removal

Any or all of the Directors may be removed from office at any time by the affirmative vote of a majority of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Sec. 4.7 Disqualification

The term of office of a Director shall terminate immediately upon a determination by the Board, by a majority vote of the remaining Directors, that: (a) the Director no longer satisfies the classification for which the Director was elected; and (b) the Director's continued service as such would violate the compositional requirements of the Board set forth in Section 4.3. If the term of office of a Director terminates under this Section, and the remaining term of office of such Director at the time of termination is not more than six months, during the period of vacancy the Board shall not be deemed to be in violation of Section 4.3 by virtue of such vacancy. Notwithstanding the foregoing, the Board may elect to defer the determinations set forth in clauses (a) and (b) above with respect to a Director until the next annual meeting of stockholders, and, if the Board makes such an election, neither the Board nor any committee shall be deemed to be in violation of Section 4.3 or 4.13 of these By-Laws as a result of the deferral.

Sec. 4.8 Filling of Vacancies

If a Director position becomes vacant, whether because of death, disability, disqualification, removal, or resignation, such vacancy shall be filled only by a majority vote of the Directors then in office, though less than a quorum, or by a vote of the sole remaining Director, and not by the stockholders, for a person nominated by the Nominating & Governance Committee and satisfying the classification (Industry, Non-Industry, Issuer, or Public Director), if applicable, for the directorship as provided in Section 4.3 to fill such vacancy, except that if the remaining term of office for the vacant Director position is not more than six months, no replacement shall be required.

Sec. 4.9 Quorum and Voting

(a) At all meetings of the Board, unless otherwise set forth in these By-Laws or required by law, a quorum for the transaction of business shall consist of a majority of the Board. In the absence of a quorum, a majority of the Directors present may adjourn the meeting until a quorum be present.

(b) Except as provided herein or by applicable law, the vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board.

Sec. 4.10 Regulation

The Board may adopt such rules, regulations, and requirements for the conduct of the business and management of the Corporation, not inconsistent with law, the Restated Certificate of Incorporation, or these By-Laws, as the Board may deem proper. A Director shall, in the performance of such Director's duties, be fully protected in relying in good faith upon the books of account or reports made to the Corporation by any of its officers, by an independent certified public accountant, by an appraiser selected with reasonable care by the Board or any committee of the Board or by any agent of the Corporation, or in relying in good faith upon other records of the Corporation.

Sec. 4.11 Meetings

(a) An annual meeting of the Board shall be held for the purpose of organization, election of officers, and transaction of any other business. If such meeting is held promptly after and at the place specified for the annual meeting of the stockholders, no notice of the annual meeting of the Board need be given. Otherwise, such annual meeting shall be held at such time and place as may be specified in a notice given in accordance with Section 4.12.

(b) Regular meetings of the Board may be held at such time and place, within or without the State of Delaware, as determined from time to time by the Board. After such determination has been made, notice shall be given in accordance with Section 4.12.

(c) Special meetings of the Board may be called by the Chair of the Board, by the Chief Executive Officer, by the President, or by at least one-third of the Directors then in office. Notice of any special meeting of the Board shall be given to each Director in accordance with Section 4.12.

(d) Directors or members of any committee appointed by the Board may participate in a meeting of the Board or of such committee through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting may hear one another, and such participation in a meeting shall constitute presence in person at such meeting for all purposes.

Sec. 4.12 Notice of Meetings; Waiver of Notice

(a) Notice of any meeting of the Board shall be deemed to be duly given to a Director if: (i) mailed to the address last made known in writing to the Corporation by such Director as the address to which such notices are to be sent, at least seven days before the day on which such meeting is to be held; (ii) sent to the Director at such address by telegraph, telefax, cable, radio, wireless, e-mail or other means of written electronic transmission, not later than the day before the day on which such meeting is to be held; or (iii) delivered to the Director personally or orally, by telephone or otherwise, not later than the day before the day on which such meeting is to be held. Each notice shall state the time and place of the meeting and the purpose(s) thereof.

(b) Notice of any meeting of the Board need not be given to any Director if waived by that Director in writing or by electronic transmission (or by telegram, telefax, cable, radio, wireless, e-mail or other means

of written electronic transmission and subsequently confirmed in writing or by electronic transmission) whether before or after the holding of such meeting, or if such Director is present at such meeting, subject to Article X, Section 10.3(b).

(c) Any meeting of the Board shall be a legal meeting without any prior notice if all Directors then in office shall be present thereat, except when a Director attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

Sec. 4.13 Committees

(a) The Board may, by resolution or resolutions adopted by the Board, appoint one or more committees. Except as herein provided, vacancies in membership of any committee shall be filled by the Board. The Board may designate one or more Directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another Director to act at the meeting in the place of any such absent or disqualified member. Members of a committee shall hold office for such period as may be fixed by a resolution adopted by the Board. Any member of a committee may be removed from such committee only by the Board, after appropriate notice.

(b) The Board may, by resolution or resolutions adopted by the Board, delegate to one or more committees that consist solely of one or more Directors the power and authority to act on behalf of the Board in the management of the business and affairs of the Corporation to the extent permitted by law. A committee, to the extent permitted by law and provided in the resolution or resolutions creating such committee, may authorize the seal of the Corporation to be affixed to all papers that may require it.

(c) Except as otherwise provided by applicable law, no committee shall have the power or authority of the Board with regard to: amending the Restated Certificate of Incorporation or the By-Laws of the Corporation; adopting an agreement of merger or consolidation; recommending to the stockholders the sale, lease, or exchange of all or substantially all the Corporation's property and assets; or recommending to the stockholders a dissolution of the Corporation or a revocation of a dissolution. Unless the resolution of the Board expressly so provides, no committee shall have the power or authority to authorize the issuance of stock.

(g) The Board shall appoint an Audit Committee.

(i) The Audit Committee shall consist of three or more Directors, each of whom shall be an independent director within the meaning of the rules of the NASDAQ Stock Market and Section 10A of the Act. The number of Non-Industry Directors on the Audit Committee shall equal or exceed the number of Industry Directors on the Audit Committee. The Audit Committee shall include two Public Directors. (iii) The Secretary shall collect from each nominee for Director such information as is reasonably necessary to serve as the basis for a determination of the nominee's classification as an Industry, Non-Industry, Issuer, or Public Director, if applicable, and the Secretary shall certify to the Nominating & Governance Committee each nominee's classification, if applicable. Directors shall update the information submitted under this subsection at least annually and upon request of the Secretary, and shall report immediately to the Secretary any change in such information.

Sec. 4.14 Conflicts of Interest; Contracts and Transactions Involving Directors

In any such case, the Director shall recuse himself or herself or shall be disqualified.

(b) No contract or transaction between the Corporation and one or more of its Directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason if: (i) the material facts pertaining to such Director's or officer's relationship or interest and the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; (ii) the material facts are disclosed or become known to the Board or committee after the contract or transaction is entered into, and the Board or committee in good faith ratifies the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or (iii) the material facts pertaining to the Director's or officer's relationship or interest and the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders.

Article VIII Indemnification

Sec. 8.1 Indemnification of Directors, Officers, Employees, and Agents

(a) The Corporation shall indemnify, and hold harmless, to the fullest extent permitted by Delaware law as it presently exists or may thereafter be amended, any person (and the heirs, executors, and administrators of such person) who, by reason of the fact that he or she is or was a Director, officer, or employee of the Corporation or any wholly owned subsidiary of the Corporation, or is or was a Director, officer, or employee of the Corporation or any wholly owned subsidiary of the Corporation who is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, enterprise, or non-profit entity, including service with respect to employee benefit plans, is or was a party, or is threatened to be made a party to:

(i) any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Corporation) against expenses (including attorneys' fees and disbursements), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with any such action, suit, or proceeding; or

(ii) any threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor against expenses (including attorneys' fees and disbursements) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit.

(b) The Corporation shall advance expenses (including attorneys' fees and disbursements) reasonably and actually incurred in defending any action, suit, or proceeding in advance of its final disposition to persons described in subsection (a); provided, however, that the payment of expenses incurred by such person in advance of the final disposition of the matter shall be conditioned upon receipt of a written undertaking by that person to repay all amounts advanced if it should be ultimately determined that the person is not entitled to be indemnified under this Section or otherwise.

(c) The Corporation may, in its discretion, indemnify and hold harmless, to the fullest extent permitted by Delaware law as it presently exists or may thereafter be amended, any person (and the heirs, executors, and administrators of such persons) who, by reason of the fact that he or she is or was an agent of the Corporation or any wholly owned subsidiary of the Corporation or is or was an agent of the Corporation or any wholly owned subsidiary of the Corporation who is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, trust, enterprise, or non-profit entity, including service with respect to employee benefit plans, was or is a party, or is threatened to be made a party to any action or proceeding described in subsection (a).

(d) The Corporation may, in its discretion, pay the expenses (including attorneys' fees and disbursements) reasonably and actually incurred by an agent in defending any action, suit, or proceeding in advance of its final disposition; provided, however, that the payment of expenses incurred by such person in advance of the final disposition of the matter shall be conditioned upon receipt of a written undertaking by that person to repay all amounts advanced if it should be ultimately determined that the person is not entitled to be indemnified under this Section or otherwise.

(e) Notwithstanding the foregoing or any other provision of these By-Laws, no advance shall be made by the Corporation to an agent or non-officer employee if a determination is reasonably and promptly made by the Board by a majority vote of those Directors who have not been named parties to the action, even though less than a quorum, or, if there are no such Directors or if such Directors so direct, by independent legal counsel, that, based upon the facts known to the Board or such counsel at the time such determination is made: (1) The person seeking advancement of expenses (i) acted in bad faith, or (ii) did not act in a manner that he or she reasonably believed to be in or not opposed to the best interests of the Corporation; (2) with respect to any criminal proceeding, such person believed or had reasonable cause to believe that his or her conduct was unlawful; or (3) such person deliberately breached his or her duty to the Corporation.

(f) The indemnification provided by this Section in a specific case shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee, or agent and shall inure to the benefit of such person's heirs, executors, and administrators.

(g) Notwithstanding the foregoing, but subject to subsection (j), the Corporation shall be required to indemnify any person identified in subsection (a) in connection with a proceeding (or part thereof) initiated by such person only if the initiation of such proceeding (or part thereof) by such person was authorized by the Board.

(h) The Corporation's obligation, if any, to indemnify or advance expenses to any person who is or was serving at its request as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, enterprise, or non-profit entity shall be reduced by any amount such person may collect as indemnification or advancement from such other corporation, partnership, joint venture, trust, enterprise, or non-profit entity.

(i) Any repeal or modification of the foregoing provisions of this Section shall not adversely affect any right or protection hereunder of any person in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to any act or omission occurring prior to the time of such repeal or modification.

(j) If a claim for indemnification or advancement of expenses under this Article is not paid in full within 60 days after a written claim therefor by an indemnified person has been received by the Corporation, the indemnified person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action, the Corporation shall have the burden of proving that the indemnified person is not entitled to the requested indemnification or advancement of expenses under Delaware law.

Sec. 8.2 Indemnification Insurance

The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee, or agent of the Corporation or any wholly owned subsidiary of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, enterprise, or non-profit entity against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability hereunder.

Article IX Capital Stock

Sec. 9.1 Certificates

The shares of capital stock of the Corporation shall be represented by certificates, provided that the Board may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Each holder of capital stock in the Corporation represented by certificates shall be entitled to a certificate or certificates in such form as shall be approved by the Board, certifying the number of shares of capital stock in the Corporation owned by such stockholder.

Sec. 9.2 Signatures

(a) Shares of capital stock of the Corporation represented by certificates shall be signed in the name of the Corporation by two officers with one being the Chair of the Board, the Chief Executive Officer, the President, or a Vice President, and the other being the Secretary, the Treasurer, or such other officer that may be authorized by the Board. Such certificates may be sealed with the corporate seal of the Corporation or a facsimile thereof.

(b) Any or all signatures on such certificates may be a facsimile. In the event that any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall cease to be such officer, transfer agent, or registrar before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if such person were such officer, transfer agent, or registrar at the date of issue.

Sec. 9.3 Stock Ledger

(a) A record of all certificates for capital stock or uncertificated shares issued by the Corporation shall be kept by the Secretary or any other officer, employee, or agent designated by the Board. Such record shall show the name and address of the person, firm, or corporation in which certificates for capital stock or uncertificated shares are registered, the number of shares represented by each such certificate, the date of each such certificate, and in the case of certificates which have been canceled, the date of cancellation thereof.

(b) The Corporation shall be entitled to treat the holder of record of shares of capital stock as shown on the stock ledger as the owner thereof and as the person entitled to vote such shares and to receive notice of meetings, and for all other purposes. The Corporation shall not be bound to recognize any equitable or other claim to or interest in any share of capital stock on the part of any other person, whether or not the Corporation shall have express or other notice thereof.

Sec. 9.4 Transfers of Stock

(a) The Board may make such rules and regulations as it may deem expedient, not inconsistent with law, the Restated Certificate of Incorporation, or these By-Laws, concerning the issuance, transfer, and registration of certificates for shares of capital stock or uncertificated shares of the Corporation. The Board may appoint, or authorize any principal officer to appoint, one or more transfer agents or one or more transfer clerks and one or more registrars and may require all certificates for capital stock to bear the signature or signatures of any of them.

(b) Transfers of capital stock shall be made on the books of the Corporation only upon delivery to the Corporation or its transfer agent of: (i) a written direction of the registered holder named in the certificate or such holder's attorney lawfully constituted in writing; (ii) the certificate for the shares of capital stock being transferred; and (iii) a written assignment of the shares of capital stock evidenced thereby; or, with respect to uncertificated shares, by delivery of duly executed instructions or in any other manner permitted by applicable law.

Sec. 9.5 Cancellation

Each certificate for capital stock surrendered to the Corporation for exchange or transfer shall be canceled and no new certificate or certificates or uncertificated shares shall be issued in exchange for any existing certificate other than pursuant to Section 9.6 until such existing certificate shall have been canceled.

Sec. 9.6 Lost, Stolen, Destroyed, and Mutilated Certificates

In the event that any certificate for shares of capital stock of the Corporation shall be mutilated, the Corporation shall issue a new certificate or uncertificated shares in place of such mutilated certificate. In

the event that any such certificate shall be lost, stolen, or destroyed, the Corporation may, in the discretion of the Board or a committee appointed thereby with power so to act, issue a new certificate for capital stock or uncertificated shares in the place of any such lost, stolen, or destroyed certificate. The applicant for any substituted certificate or certificates shall surrender any mutilated certificate or, in the case of any lost, stolen, or destroyed certificate, furnish satisfactory proof of such loss, theft, or destruction of such certificate and of the ownership thereof. The Board or such committee may, in its discretion, require the owner of a lost or destroyed certificate, or the owner's representatives, to furnish to the Corporation a bond with an acceptable surety or sureties and in such sum as will be sufficient to indemnify the Corporation against any claim that may be made against it on account of the lost, stolen, or destroyed certificate or the issuance of such new certificate or uncertificated shares. A new certificate or uncertificated shares may be issued without requiring a bond when, in the judgment of the Board, it is proper to do so.

Sec. 9.7 Fixing of Record Date

The Board may fix a record date in accordance with Delaware law.

Article X Miscellaneous Provisions

Sec. 10.1 Corporate Seal

The seal of the Corporation shall be circular in form and shall bear, in addition to any other emblem or device approved by the Board, the name of the Corporation, the year of its incorporation, and the words "Corporate Seal" and "Delaware." The seal may be used by causing it to be affixed or impressed, or a facsimile thereof may be reproduced or otherwise used in such manner as the Board may determine.

Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, Directors, or members of a committee of Directors need be specified in any waiver of notice.

(b) Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

Sec. 10.4 Execution of Instruments, Contracts, Etc.

(a) All checks, drafts, bills of exchange, notes, or other obligations or orders for the payment of money shall be signed in the name of the Corporation by such officer or officers or person or persons as the Board, or a duly authorized committee thereof, may from time to time designate. Except as otherwise

provided by law, the Board, any committee given specific authority in the premises by the Board, or any committee given authority to exercise generally the powers of the Board during intervals between meetings of the Board, may authorize any officer, employee, or agent, in the name of and on behalf of the Corporation, to enter into or execute and deliver deeds, bonds, mortgages, contracts, and other obligations or instruments, and such authority may be general or confined to specific instances.

(b) All applications, written instruments, and papers required by any department of the United States Government or by any state, county, municipal, or other governmental authority, may be executed in the name of the Corporation by any principal officer or subordinate officer of the Corporation, or, to the extent designated for such purpose from time to time by the Board, by an employee or agent of the Corporation. These By-Laws may be altered, amended, or repealed, or new By-Laws may be adopted, at any meeting of the stockholders by the affirmative vote of the holders of a majority of the outstanding stock entitled to vote, voting together as a single class, provided that, in the case of a special meeting, notice that an amendment is to be considered and acted upon shall be inserted in the notice or waiver of notice of said meeting.

Sec. 11.2 By Directors

To the extent permitted by the Restated Certificate of Incorporation, these By-Laws may be altered, amended, or repealed, or new By-Laws may be adopted, at any regular or special meeting of the Board by a resolution adopted by a vote of a majority of the whole Board; but no By-Law adopted by the stockholders shall be amended or repealed by the Board if the By-Law so adopted so provides.

Sec. 11.3 Review by Self-Regulatory Subsidiaries

For so long as the Corporation shall control, directly or indirectly, any Self-Regulatory Subsidiary, any proposed adoption, alteration, amendment, change or repeal (an "amendment") of any By-Law shall be submitted to the Board of Directors of each Self-Regulatory Subsidiary, and if any such proposed amendment must, under Section 19 of the Act and the rules promulgated thereunder, be filed with, or filed with and approved by, the Commission before such amendment may be effective, then such amendment shall not be effective until filed with, or filed with and approved by, the Commission, as the case may be.

Sec. 11.4 Emergency By-Laws

The Board may adopt emergency By-Laws subject to repeal or change by action of the stockholders which shall, notwithstanding any different provision of law, the Restated Certificate of Incorporation, or these By-Laws, be operative during any emergency resulting from any nuclear or atomic disaster, an attack on the United States or on a locality in which the Corporation conducts its business or customarily holds meetings of the Board or the stockholders, any catastrophe, or other emergency condition, as a result of which a quorum of the Board or a committee thereof cannot readily be convened for action. Such emergency By-Laws may make any provision that may be practicable and necessary under the circumstances of the emergency.

Article XII The Self-Regulatory Subsidiaries

Sec. 12.1 Self-Regulatory Organization Functions of the Self-Regulatory Subsidiaries

(a) For so long as the Corporation shall control any Self-Regulatory Subsidiary, the Board of Directors, officers, and employees of the Corporation shall give due regard to the preservation of the independence of the self-regulatory function of each such Self-Regulatory Subsidiary and to its obligations to investors and the general public and shall not take any actions which would interfere with the effectuation of any decisions by the Board of Directors of any Self-Regulatory Subsidiary relating to its regulatory functions (including disciplinary matters) or the market structures or clearing systems which it regulates or which would interfere with the ability of any Self-Regulatory Subsidiary to carry out its responsibilities under the Act.

(b) All books and records of each Self-Regulatory Subsidiary reflecting confidential information pertaining to the self-regulatory function of such Self-Regulatory Subsidiary (including but not limited to disciplinary matters, trading data, trading practices and audit information) which shall come into the possession of the Corporation, and the information contained in those books and records, shall be retained in confidence by the Corporation and the Directors, officers, employees and agents of the Corporation and shall not be used for any non-regulatory purposes. Nothing in these By-Laws shall be interpreted as to limit or impede the rights of the Commission to access and examine such confidential information pursuant to the federal securities laws and the rules and regulations thereunder, or to limit or impede the ability of any officers, directors, employees or agents of the Corporation to disclose such confidential information to the Commission. The Corporation's books and records shall be subject at all times to inspection and copying by the Commission. The Corporation's books and records relating to each Self-Regulatory Subsidiary shall be maintained in the United States.

(c) To the extent they are related to the activities of a Self-Regulatory Subsidiary, the books, records, premises, officers, Directors, and employees of the Corporation shall be deemed to be the books, records, premises, officers, directors, and employees of such Self-Regulatory Subsidiary for the purposes of, and subject to oversight pursuant to, the Act.

Sec. 12.2 Cooperation with the Commission

(a) The Corporation shall comply with the U.S. federal securities laws and the rules and regulations thereunder and shall cooperate with the SEC and the Self-Regulatory Subsidiaries pursuant to and to the extent of their respective regulatory authority, and shall take reasonable steps necessary to cause its agents to cooperate, with the SEC and, where applicable, the Self-Regulatory Subsidiaries pursuant to their regulatory authority.

(b) The officers, Directors, and employees of the Corporation, by virtue of their acceptance of such position, shall be deemed to agree to cooperate with the Commission and each Self-Regulatory Subsidiary in respect of the Commission's oversight responsibilities regarding the Self-Regulatory Subsidiaries and the self-regulatory functions and responsibilities of the Self-Regulatory Subsidiaries.

Sec. 12.3 Consent to Jurisdiction

The Corporation and its officers, Directors, and employees, by virtue of their acceptance of such position, shall be deemed to irrevocably submit to the jurisdiction of the United States federal courts, the Commission, and each Self-Regulatory Subsidiary for the purposes of any suit, action or proceeding pursuant to the United States federal securities laws, and the rules and regulations thereunder, arising out of, or relating to, the activities of any Self-Regulatory Subsidiary, and by virtue of their acceptance of any such position, shall be deemed to waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that it or they are not personally subject to the jurisdiction of the United States federal courts, the Commission, or any Self-Regulatory Subsidiary, that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter of that suit, action or proceeding may not be enforced in or by such courts or agency. The Corporation and its officers, Directors, and employees shall be deemed to agree that the Corporation may serve as the agent, in the United States, for the service of process of a claim arising out of, or relating to, the activities of each Self-Regulatory Subsidiary.

Sec. 12.4 Further Assurances

The Corporation shall take reasonable steps necessary to cause its current officers, Directors, and employees, to consent in writing to the applicability to them of Sections 12.1, 12.2 and 12.3 of these By-Laws, as applicable, with respect to their activities related to any Self-Regulatory Subsidiary, and shall take reasonable steps necessary to cause prospective officers, Directors, and employees, prior to accepting a position as an officer, Director, or employee, as applicable, of the Corporation, to consent in writing to the applicability to them of Sections 12.1, 12.2 and 12.3 of these By-Laws, as applicable, with respect to their activities related to any Self-Regulatory Subsidiary.

Sec. 12.5 Board Action with Respect to Voting Limitations of the Certificate of Incorporation

For so long as the Corporation shall control, directly or indirectly, any Self-Regulatory Subsidiary, a resolution of the Board to approve an exemption for any person under Article Fourth, Section C.6 of the Restated Certificate of Incorporation (the "Certificate") shall not be permitted to become effective until such resolution has been filed with and approved by the Commission under Section 19 of the Act. The Board, however, may not approve an exemption under Article Fourth, Section C.6 of the Certificate: (i) for a registered broker or dealer or an Affiliate thereof (as defined in the Certificate) (provided that, for these purposes, an Affiliate shall not be deemed to include an entity that either owns ten percent or less of the equity of a broker or dealer, or the broker or dealer accounts for one percent or less of the gross revenues received by the consolidated entity); or (ii) an individual or entity that is subject to a statutory disqualification under Section 3(a)(39) of the Act. The Board may approve an exemption for any other

stockholder under Article Fourth, Section C.6 if the Board determines that granting such exemption would (A) not reasonably be expected to diminish the quality of, or public confidence in, the Corporation or the Self-Regulatory Subsidiaries or the other operations of the Corporation and its subsidiaries, on the ability to prevent fraudulent and manipulative acts and practices and on investors and the public, (B) promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and facilitating transactions in securities or assist in the removal of impediments to or perfection of the mechanisms for a free and open market and a national market system, and (C) promote the prompt and accurate clearance and settlement of securities transactions (and to the extent applicable, derivative agreements, contracts and transactions), assure the safeguarding of securities and funds in the custody or control of the Self-Regulatory Subsidiaries that are clearing agencies or securities and funds for which they are responsible, foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions, and remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions.

Sec. 12.6 Amendments to the Certificate of Incorporation

For so long as the Corporation shall control, directly or indirectly, any Self-Regulatory Subsidiary, any proposed amendment of any provisions contained in the Corporation's Restated Certificate of Incorporation shall be submitted to the Board of Directors of each Self-Regulatory Subsidiary, and if any such proposed amendment must, under Section 19 of the Act and the rules promulgated thereunder, be filed with, or filed with and approved by, the Commission before such amendment may be effective, then such amendment shall not be filed with the Secretary of State of the State of Delaware until filed with, or filed with and approved by, the Commission, as the case may be.

Sec. 12.7 Self-Regulatory Subsidiaries

In light of the unique nature of the Corporation and its subsidiaries, including the status of the Self-Regulatory Subsidiaries as self-regulatory organizations, the Board of Directors, when evaluating (A) any tender or exchange offer or invitation for tenders or exchanges, or proposal to make a tender or exchange offer or request or invitation for tenders or exchanges, by another party, for any equity security of the Corporation, (B) any proposal or offer by another party to (1) merge or consolidate the Corporation or any subsidiary with another corporation or other entity, (2) purchase or otherwise acquire all or a substantial portion of the properties or assets of the Corporation or any subsidiary, or sell or otherwise dispose of to the Corporation or any subsidiary all or a substantial portion of the properties or assets of such other party, or (3) liquidate, dissolve, reclassify the securities of, declare an extraordinary dividend of, recapitalize or reorganize the Corporation, (C) any action, or any failure to act, with respect to any holder or potential holder of Excess Shares (as defined in the Restated Certificate of Incorporation) subject to the limitations set forth in subparagraph 2 of paragraph C. of Article Fourth of the Restated Certificate of Incorporation, (D) any demand or proposal, precatory or otherwise, on behalf of or by a holder or potential holder of Excess Shares subject to the limitations set forth in subparagraph 2 of paragraph C. of Article Fourth of the Restated Certificate of Incorporation or (E) any other issue, shall, to the fullest extent permitted by applicable law, take into account all factors that the Board of Directors deems relevant, including, without limitation, to the extent deemed relevant, (i) the potential impact thereof on the integrity, continuity and stability of the Corporation, the Self-Regulatory Subsidiaries, and the other operations of the Corporation

and its subsidiaries, on the ability to prevent fraudulent and manipulative acts and practices and on investors and the public, (ii) whether such would promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and facilitating transactions in securities or assist in the removal of impediments to or perfection of the mechanisms for a free and open market and a national market system; and (iii) whether such would promote the prompt and accurate clearance and settlement of securities transactions (and to the extent applicable, derivative agreements, contracts and transactions), would assure the safeguarding of securities and funds in the custody or control of the Self-Regulatory Subsidiaries that are clearing agencies or securities and funds for which they are responsible, would foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions, and would remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions.
