Nasdaq Completes Acquisition of eVestment

NEW YORK, Oct. 23, 2017 (GLOBE NEWSWIRE) -- [Nasdaq](#) (Nasdaq:NDAQ) today announced the completion of its acquisition of [eVestment](#), an industry leading content and analytics provider used by asset managers, investment consultants and asset owners to help facilitate institutional investment decisions.

Nasdaq entered into [an agreement](#) to acquire eVestment in September. The deal will further enhance Nasdaq's robust Global Information Services business by allowing the company to broaden its reach into the buy-side and leverage the extensive expertise of the leadership team. Nasdaq's data and index operations, coupled with eVestment's institutional focus, will result in the creation of new solutions and expanded distribution to support the asset management community.

Nasdaq is home to approximately 3,900 total listings with a market value of approximately \$12 trillion. To learn more, visit: <http://business.nasdaq.com>

Cautionary Note Regarding Forward-Looking Statements

Information set forth in this communication contains forward-looking statements that involve a number of risks and uncertainties. Nasdaq cautions readers that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking information. Such forward-looking statements include, but are not limited to (i) projections relating to our future financial results, total shareholder returns, growth, trading volumes, products and services, order backlog, taxes and achievement of synergy targets, including in connection with the acquisition of eVestment, (ii) statements about the benefits of the acquisition of eVestment, (iii) statements about our integrations of our recent acquisitions and future integration of the eVestment acquisition, (iv) statements relating to any litigation or regulatory or government investigation or action to which we are or could become a party, and (v) other statements that are not historical facts. Forward-looking statements involve a number of risks, uncertainties or other factors beyond Nasdaq's control. These factors include, but are not limited to, Nasdaq's ability to implement its strategic initiatives, economic, political and market conditions and fluctuations, government and industry regulation, interest rate risk, U.S. and global competition, and other factors detailed in Nasdaq's filings with the U.S. Securities and Exchange Commission, including its annual reports on Form 10-K and quarterly reports on Form 10-Q, which are available on Nasdaq's investor relations website at <http://ir.nasdaq.com> and the SEC's website at www.sec.gov. Nasdaq undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.
