

NASDAQ OMX Launches Portfolio Manager App for iPad

Bringing Real-Time Market Intelligence to Life for iPad Users

NEW YORK, Apr 2, 2010 (GlobeNewswire via COMTEX News Network) -- The NASDAQ OMX Group, Inc. (Nasdaq:NDAQ) today announced the NASDAQ OMX Portfolio Manager App for iPad is now available on the App Store.

"Following the success of the NASDAQ OMX Portfolio Manager App for iPhone and iPod touch, it's a natural fit for us to offer it for iPad," said Anna Ewing, chief information officer of NASDAQ OMX. "Nearly 40 years ago we launched the first all-electronic exchange, a revolutionary technology in the exchange space. At NASDAQ OMX, we are proud to now offer innovative visualization capabilities for stock market enthusiasts to view and engage with the stock market in real time on iPad."

The NASDAQ OMX Portfolio Manager App for iPad allows users to build a portfolio and watch list using real-time stock price data for U.S., Nordic and Baltic stocks. The app includes a flashing price screen to highlight real time movements, a chart overlay to show technical analysis, and capabilities for video and tweet posting.

Features of the NASDAQ OMX Portfolio Manager App for iPad include:

- The ability to build virtual stock portfolios;
- Create watch lists to monitor favorite stocks;
- Draw on-the-fly performance charts and overlay them with curves for technical indicators;
- See stock prices change in real time within a portfolio or watch list;
- View high-quality video clips from StockTwits TV and from the NASDAQ Market Intelligence Desk; and
- Post tweets on StockTwits' real-time stream. StockTwits hosts a social media community that covers economic and market news, and also allows users to share charts, recommendations, symbols, and websites.

The NASDAQ OMX Portfolio Manager App for iPad is available for free from the App Store on iPad or at www.itunes.com/appstore/.
