About the Moot Corp Program:

Begun at the University of Texas at Austin by MBA students in 1984, the Moot Corp Competition is the oldest new venture competition in the world. The Competition provides graduate students with a chance to simulate the real world process of raising venture capital. Each May, teams from around the world come to Austin to compete in "the Super Bowl of world business plan competition." Visit www.mootcorp.org for more information.

About NASDAQ OMX:

The NASDAQ OMX Group, Inc. is the world's largest exchange company. It delivers trading, exchange technology and public company services across six continents, with over 3,800 listed companies.
