About Hope for the Warriors:

Hope For The Warriors® is a national, nonprofit organization that supports wounded U.S. service members, their families, and families of the fallen. A group of military wives founded the organization in 2006. They stood together as they witnessed, firsthand, the effects of the war on service members and their families. Since that time, Hope For The Warriors® has grown tremendously in the span of programs offered and the number of wounded and family members assisted.

While founded and headquartered in North Carolina, the organization maintains offices in New York, Washington, D.C., and Virginia. Its representatives cover California, Texas, Florida, Illinois, and Wyoming, enabling us to maintain a nation-wide presence. The leadership of the organization still remains in the dedicated hands of military wives.

Together, our board of directors, staff, and volunteers work tirelessly to serve those who have sacrificed so much. The integrity of our organization is paramount and therefore our representatives are as honorable and noble as our mission and the people we serve.

Join us in our mission to ensure that no sacrifice forgotten, nor need unmet.
