CPI Card Group is a global leader in payment card production and related services, offering a single source for financial and prepaid debit cards including EMV chip, personalization, instant issuance, fulfillment and mobile payment services. With a focus on product consistency, quality, and customer service, CPI serves a diverse set of over 4,000 direct and indirect customers across the payments space.

"For more than 20 years, CPI Card Group has supported the payment card industry through innovation and value," said Nelson Griggs, Executive Vice President, Listing Services, Nasdaq. "We are thrilled to welcome CPI Card Group to the Nasdaq family and congratulate them on a successful initial public offering."

By listing on Nasdaq, CPI Card Group joins many of the world's largest and most revolutionary companies. Nasdaq is the exchange of choice for 72 percent of technology companies that have listed on the U.S. markets year-to-date.
